**The App
That Makes
Managing money
easier!**

About Us

**Our project
can help people
managing their
money by
watching
where they
have spent.**

**In NOVAC you
can buy
necessary items
through "Store"
extension.**

**By becoming a
VIP client you
can chat with
bank manager
free of charge.**

**Our app is user-
friendly, it does
not take much
effort to start.**

Reviews

Mary, 21

I really like this application. It is easy to use and helps to manage the budget!

Aron, 45

This application helped me to save up some money, which is great)

Amelia, 50

I like the design of the application! It is really helpful to get answers from the manager

Michael, 30

J'aime l'application!

Boris, 25

I am very pleased with this application. I took out a loan completely online for a car.

Ivana, 18

I usually do not use any apps for banking but this one is really cool :3
